SIGNATURE NAIL SYSTEM (SNS) HIGHLY RECOMMENDED IN REAL NAILS

SNS does not bond to the cuticle and helps damaged nails grow back healthier and stronger by adding 5 different kinds of vitamin and calcium when applied on the real nail bed. It is light weight, durable, look and feel natural while it lasts much longer than gel polish.The SNS process is not harmful to your nails; no odor, no liquid ,no primer, no UV light, hundred of color to choice including pink & white powder dip solution. It's out of ordinary nail system.
